

West 12 Shopping Centre

Landsec would like to invite you to a Public Exhibition on the future of the West 12 shopping centre in Shepherd's Bush.

Following feedback received from the local community through an online survey in summer, we will be showing our basic principles for the site. These recognise that we need to maintain the affordable, local retail offer.

We have also identified and responded to a clear local need for new homes, workspace and a better pedestrian environment.

This exhibition will be held outside Fitness First on the second floor concourse of the West 12 shopping centre, 18 The Broadway, Shepherd's Bush, London, W12 8PP on:

Saturday 12 January
10am – 2pm

Tuesday 15 January
4pm – 8pm

Please come and have your say on these emerging proposals for the future of the West 12 site.

If you cannot make the public exhibition but would like to know more about the proposed development, please do get in touch via telephone, email or online:

T: 0800 307 7972
