05 April 2018

Dear Neighbour,

New cinema, new public square and redevelopment of Hammersmith Town Hall

I'd like to invite you to an exhibition of the proposals to build a new cinema, redevelop Hammersmith Town Hall, provide new genuinely affordable homes and rejuvenate the western end of King Street.

We have held two consultation events, in November 2017 and February 2018. Your response to the revised plans that we presented in February has been very positive and we've been working hard to act on all the feedback received.

The events this April will offer you the opportunity to view the designs that form the basis of the planning application which we anticipate will be submitted in late April.

The time and dates of the drop-in exhibition at the Town Hall are:

- Friday 20 April 2018 from 4pm to 8pm
- Saturday 21 April 2018 from 10am to 2pm

The plans can also be seen on the council's website at **www.lbhf.gov.uk**

The scheme is being designed by the award-winning architects Rogers Stirk Harbour + Partners. We are also working with A2Dominion who are an affordable housing provider. They have worked with the Residents' Town Hall Development Commission, made up of local people who have taken an active interest in the previous Town Hall schemes, to develop the plans.

There will be a further opportunity to make your views known once the planning application is submitted as part of the Local Planning Authority's formal consultation.

Kind regards,

Jo Rowlands

Strategic Director of Growth and Place
